Dear Parents,

The high school administration has partnered with the school police staff to ensure safe traffic patterns for the high school. To meet this goal, the following procedures will be made effective on Monday, February 13, 2017:

Morning Drop-Off

- The high school main entrance via State Route 136 is for staff and busses only between the hours of 7:00 AM and 7:35 AM
- All parent drop-offs between 7:00 AM and 7:35 AM are to enter campus via Spartan Drive. No parent vehicle will be allowed to enter the high school through the main entrance via State Route 136
- Parents dropping off students in the morning via Spartan Drive in the back of the school are to drop students off on the sidewalk closest to the building. Parents are to then proceed up to the left, and through the parking lot, and back down Spartan Drive to exit campus

Afternoon Pick-Up

- Parents picking up students in the afternoon should park in the last parking lane (not the bus lane) closest to the high school. There is no idling or parking on the main road in between the parking lots, or on the road between the stadium and the high school. This poses a safety risk to our students, and bus traffic cannot get through safely

Sincerely,

Kathleen Charlton, Principal
