Dear Eighth Grade Parent / Guardian:

As a parent or guardian of an eighth grader who may choose to pursue a rigorous course load of honors classes for their ninth grade year at the high school, you and your teenager are invited to attend an informational forum on **Thursday, March 16, 2017 at 6:30 – 8:00 pm in the high school mini-theater**. During this meeting you will have the opportunity to review the course expectations for each honors course available to ninth graders, to interact with current ninth grade students who are enrolled in multiple honors classes, and to gain an understanding of the academic impact of taking this coursework.

The primary intent of this gathering is to help you and your teen make an informed decision about enrolling in honors-level courses. Through an informal question and answer format, both of you can gain an insight into the challenges faced by students who are taking this level of coursework.

We look forward to your joining us for this evening's discussion.

Sincerely,
Hempfield Area Counseling Department
